

Rhythmic by Nature

Drumming Facilitator Training Summer Series

Leading through Rhythm: 2-Day Drumming Facilitator Training

In this experiential, hands-on, empowering, leadership-building, and educational Facilitator Training Program, you will:

- Learn Rhythmic by Nature's step by step approach to Drumming facilitation that values and celebrates diversity, fosters self-expression, builds community & inspires creativity.
- Experience drumming as a therapeutic activity for your own self-care and wellness.
- Develop innovative ways to adapt rhythm-based activities and program structure to meet the needs of the people you work with

This training program is designed for:

- Educators • Therapists • Healthcare Practitioners
- Child & Youth Workers • Group Facilitators & Trainers
- Anyone looking for a unique, meaningful, and fun way to connect with the people they work with

No previous drumming or musical experience is necessary

"This training is wonderful. One of the best workshops I have been to! I will recommend this to everyone."
